Dear Ms. Kathleen Gold:

This letter is in response to an Office of Inspector General (OIG) complaint received regarding the billing from Olive View Medical. The complaint states Olive View Medical billed you inappropriately in addition to other very serious complaints.

We reviewed your complaint. Following our review, we have determined that you should be contacting the State Licensure Board for the State of California to further assist you with your allegations.

Thank you for concern. You are helping to protect the Medicare Trust Fund. If you don't agree with the findings in this letter, please contact us. Call 1-800-Medicare (1-800-633-4227). If you prefer, you may write to us. Send your comments to the address listed below.

Sincerely,

Benefit Protection Team
